

## PART 4

### ● Discussing questions related to the photos

### Focus on language

**1** Do the exercises your teacher tells you to do on page 129.

**2**  Match the halves to make questions. Watch Part 4 and check. Ask and answer the questions with a partner.

- |                      |                                      |
|----------------------|--------------------------------------|
| 0 What do you        | a like to have a snack with?         |
| 1 Where do you       | b to eat a snack?                    |
| 2 When do you prefer | c like to eat for a snack?           |
| 3 Who do you         | d like to eat when you have a snack? |
| 4 What don't you     | e like to eat when you have a snack? |

**3**  Who says what? Watch Part 4 again and write *D* for Dinara and *P* for Polen and *D+P* for Dinara and Polen.

- |                         |                            |                                  |
|-------------------------|----------------------------|----------------------------------|
| 0 chocolate .....P..... |                            |                                  |
| 1 a sandwich .....      | 5 a chicken sandwich ..... | 9 my best friend .....           |
| 2 chips .....           | 6 between meals .....      | 10 I eat more with friends ..... |
| 3 fruit .....           | 7 after dinner .....       |                                  |
| 4 some sweets .....     | 8 with friends .....       |                                  |

**4**  Watch Part 4 again and count the number of times you hear these words.

- |                |                 |               |                   |
|----------------|-----------------|---------------|-------------------|
| you know ..... | usually .....   | maybe .....   | er .....          |
| 'cos .....     | of course ..... | I think ..... | I prefer to ..... |

**5**  Ask and answer the questions from Part 4 with a partner.

- What do you like to eat when you have a snack?
- Where do you like to have your snack?
- What *don't* you like to eat for a snack?
